*** VERY IMPORTANT WHEN USING GPS: Select the town as Valatie. There are roads with the same name in 2 neighboring towns and you will get lost.**

Do you trail ride, hunter pace or event? Are you a Western rider? Give fox hunting a try! The Old Chatham Hunt invites you to join us for a clinic to explore the exhilarating sport of fox hunting. Here is a chance for you and your horse to ride in a group and to learn about the dress, etiquette and history involved with fox hunting.

Our fox hunting adventure will proceed at a moderate pace. Riders who are comfortable at the walk, trot and canter would be best suited for this clinic. All riders must wear a current ASTM/SEI certified helmet and appropriate riding footwear. A negative Coggins within one year is required for each horse. Each person who participates will be given one free "cap" to ride with us during cubbing season (July through the end of August a \$50 value). Riders under 18 years of age must have an adult present on the grounds at all times.
