

## OCHC on site rules

### Arrival guidelines:

Hand parking attendant your COVID-19 waivers when you arrive, please wear a mask while you do this.

Have one team member go to the secretary's table to pick up your team number.

Pick up all your box lunches at once and keep at your trailer. Unfortunately, no socializing at lunch this year.

### While at the Pace:

#### COVID-19 MEASURES WILL BE IN PLACE

Masks must be worn by everyone on the grounds while not mounted, eating or drinking.

6 foot social distance must be maintained except by family members or trailer pods.

No congregating, hanging around or socializing on site but you are welcome to visit vendors on site with masks and social distancing.

No spectators, except a parent of a minor participating and necessary drivers or grooms, etc.

Minimal contact with the secretary or other staff and volunteers.

**NO DOGS PLEASE!**

## After you finish:

To maintain the NYS COVID guidelines please depart after you complete the pace. We must keep the number of people at the event at one time as low as possible.

Results will be posted at [oldchathamhuntclub.com](http://oldchathamhuntclub.com) by Sunday afternoon and perhaps earlier. All prizes and ribbons will be mailed. We will be mailing to one team member for distribution to the team.

## Good News!

We will have Brightly Photography on site. Please visit [www.brightlyphotographyusa.com](http://www.brightlyphotographyusa.com) to view and purchase photos.

We realize that these restrictions have changed the social aspect of the pace, hopefully next year we will be able to socialize normally. Safety must come first so please comply with all guidelines.

## Please patronize and/or support our sponsors:

Penny Ploughman Saddlery- on site- donated all winners prizes

Jamie Manning Saddlery-on site *(great time to use last year's Hunter pace \$25 coupons)*

Horsepower- fence sponsor

Dreaming Tree Farm- ribbon sponsor

Nassau True Value Hardware- Our photo fence

OCHC Volunteers- lots of hours and various donations
