RIDE TIMES- Ride times will be assigned and you will be notified by Friday September 9th what they are. We will try to get teams started as close as possible to their preferred ride time but early registrants are given preference.

Teams must be ready to leave **ON TIME** for their ride time. Think of it as your dressage ride time/cross country time. We need to do this because we have so many teams and we want to keep the day flowing. Be considerate of other riders and follow the Hudson Valley Hunter Pace series guidelines for safe riding on the pace.

SECRETARIES TABLE will be open at 7 am.

TRAILERS- Because trailers will be arriving and leaving all day please follow the parking attendant's guidance for parking and exiting. Please enter through the main gates of Good Hope Farm and get directions from a parking attendant. Exiting – there are 2 exits just West of main entrance.

DOGS- Please no dogs onsite

JUMPS - must be taken in the direction of travel only.

LUNCH – Will be ready for pickup under the big tent. Many coolers will have cold drinks, sandwiches and snacks – *(exact menu to be determined closer to pace)*

PASSING ON COURSE- Please be considerate when overtaking another team, communicate first then safely figure out how to pass as not to upset anyone on course.

FINISH- All team members must finish together to be scored; time stops once last team member crosses finish line.

PHOTOS - We will have Brightly Photography on site. Please visit www.brightlyphotographyusa.com to view and purchase photos.

We will also have a photographer taking some photos of our sponsored fences so don't be surprised if you see another camera person out there.

RESULTS - Results will be posted at oldchathamhuntclub.com. All prizes and ribbons will be mailed or hand delivered if you are local. We will be mailing to one team member for distribution to the team.
